

**DENIAL OF CONSENT TO RELEASE STUDENT INFORMATION  
(FOR SECONDARY STUDENTS)**

Federal law and regulations pertaining to family educational rights and privacy allow schools, without prior consent, to release at their discretion information from student educational records that has been designated by the school system as "directory information". RSU 73 has designated the following student information as directory information: name, participation and grade level of students in officially recognized activities and sports, height and weight of student athletes, dates of attendance in the school unit, and honors and awards received.

In addition, under federal law, military recruiters and institutions of higher education are entitled to receive the names, addresses and telephone numbers of secondary students and RSU 73 must comply with any such request, provided that parents have been notified of their right to request that this information not be released without their prior written consent.

If you **DO NOT** want the information released, please complete the appropriate section of this form and return it to:
