The Spruce Mountain Primary School Phoenix Pantry is open.

The *Phoenix Pantry* is located on the first floor across from the OT/PT classroom. There will be a wide variety of nonperishable goods available to supplement family meal needs. The pantry will focus upon our free/reduced lunch families.

If needed, simply notify your child's classroom teacher and arrangements will be made to receive goods.

In addition to the *Phoenix Pantry*, there will be a monthly *Produce Distribution* open to all families. Fresh produce will be brought to the SMPS cafeteria on the second Tuesday of each month, subject to change due to school vacations.
