Dear Parents,

I have some exciting news to share with you. RSU 73 Food service will be offering Universal free breakfast to all students in our district next school year; so all students are encouraged to eat breakfast. That is not all; anyone qualifying for free/reduced will receive free lunch.

We will be sending free/reduced applications home with students the first week of school; this form needs to be filled out every year. Please take a moment and fill it out, sign and return to the school kitchens. All of the grant money the school receives is based on our free/reduced ratio.

Confidentiality is number one; your information will not be shared. When applying for grants it is based on the number of qualifying students, not names. If you do not receive a form and want one, please call Dora York 897-3978 and I will get one to you.

Have a safe and enjoyable summer.
