To the RSU #73 Community,

Schools will continued to be closed for students until at least Apr 27<sup>th</sup>. This is being done as a response to COVID- 19 and in hopes of “flattening the curve”. It is also in response to our Governor proclaiming a civil state of emergency.

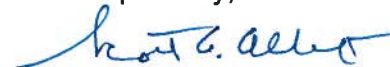

Please understand we still have no known confirmed cases in RSU #73. This is still meant as a deterrent and is the district being pro-active. We will continue to be updating you by our RSU #73 website: [www.rsu73.com](http://www.rsu73.com) , by school messenger and the local paper.

Also please understand that this decision was not made lightly as I understand the burden that it will put on many of our families in our community. I am proud of how the community is rallying around one another.

We will continue feeding students with bagged breakfast and lunches at certain locations throughout the 3 towns. Remember those locations are on the website.

Remember there will be **no** official educational expectations being put upon students until March 30<sup>th</sup>. Dates and times for parents to pick up student’s work, etc. is posted on our website.

Respectfully,

Scott A. Albert  
Superintendent
