September 4, 2020

Dear Phoenix Families:

I wanted to update families about where SMES stands as it comes to technology. As of today, we have Chromebooks for all students. **Cohort A** will start learning how to use their laptops on Tuesday, September 8th. **Cohort B** will start learning how to use their laptops on Thursday, September 10th. Laptops for **Cohorts A & B** will not go home until the 3rd week of school so that students can be trained and become proficient in Google. **Cohort B** will not be responsible for any work until they come to school on Thursday.

Cohort C (Fully Remote Students) will be scheduled to receive their laptops and be trained in Google next week. Students will not be required to complete remote work until they have received their laptops. The schedule for training is below. Please contact your child's remote teacher listed below or call the school at 897-5719 to reserve your spot. If there is anything that prevents you from being able to attend one of these trainings, please let your child's remote teacher know.

100% Remote Student Training Times		
Wednesday, Sept. 9 th	Thursday, Sept. 10 th	Friday, Sept. 11 th
10:00-11:00	10:00-11:00	10:00-11:00
1:30-2:30	1:30-2:30	1:30-2:30
5:30-6:30	5:30-6:30
