

**RSU #73**  
**STUDENT AND PARENT / GUARDIAN TECHNOLOGY ACCEPTABLE USE**  
**STATEMENT**

**The use of and access to technology is essential in preparing our students for the 21<sup>st</sup> century. RSU73 is pleased to offer our students and parents / guardians the opportunity to use state of Maine issued laptops. We expect that students and parents abide by the following statement and that one handles the equipment (hardware & software) with care and respect reporting abuse and misuse as soon as possible.**

*When using the state of Maine issued Apple Macbook laptops or any district owned computer, students and parent /guardians are NEVER allowed to print, copy, upload, download, update, upgrade,delete, or modify anything ( software or hardware) on laptops or computers without the permission of their teacher, principal or technology team member. Students and parents / guardians should only be using computers and the state-issued MILT Macbook laptops for RSU73 educational and vocational purposes. We also expect ALL students and parents/ guardians to use the Internet responsibly adhering to safety measures, educational goals, copyright and plagiarism rules and laws, and the principles of responsible citizenship.*

**Notes:** Students can lose the privilege to bring the laptop home or lose the laptop for a period of time (depending of the severity of the infraction). Do not add unapproved, personalized stickers or write or scratch the laptops. Laptop misuse and / or abuse will result in consequences.
