**POLICY: STUDENT CODE OF CONDUCT**

Promoting ethical and responsible student behavior is an essential component of the RSU 73 Board’s educational mission.

RSU 73 is committed to maintaining a safe, respectful, and orderly school environment in which students may receive and staff may deliver quality education without disruption or interference and in which students may develop as ethical, responsible, and involved citizens.

To achieve this goal, the Board has developed this Student Code of Conduct, based on values identified as essential to ethical and responsible behavior, the Code articulates the RSU 73 Board’s expectations for student conduct.

The Board believes that each member of the school community should take responsibility for his/her own behavior. To that end, the Board recognizes the need to define unacceptable student conduct, identify the possible consequences for unacceptable conduct, and ensure that discipline is administered fairly, promptly, and appropriately.

**Standards for Ethical and Responsible Behavior**

The Code of Conduct is intended to support and encourage students to meet the following standards for ethical and responsible behavior:

- Respect
- Honesty
- Compassion
- Fairness
- Responsibility
- Courage

**Code of Conduct**

The Code applies to students:

- On school property,
- While in attendance at school or at any school-sponsored activity, or
