

IDENTIFICATION OF GIFTED & TALENTED STUDENTS IN RSU #73

Step 1: Nominations

From teachers, standardized test scores, parents, and students

Step 2: CogAT

All recommended students are tested with the CogAT, pending parent permission

Step 3: Student Information Reviewed

Student profiles are created compiling student data. These profiles are reviewed by the selection committee.

Step 4: Selection of Students

The committee will select the group of students who qualify for G/T services. This group, 3-5% of the school population, will be demographically representative of the student population. Parents will be notified of results.
